**** STAFF REPORT ****

PROJECT DESCRIPTION

The subject site currently has an existing Restaurant with a previously approved Special Use Permit (SUP-28297) for Beer/Wine/Cooler On-Sale Establishment. Staff conducted a field inspection of the site and found that although the landscaping was being maintained and the site presented a neat and clean appearance, there were four (4) wooden signs in the front of the property that are not permitted.

Since the approval of the Special Use Permit (SUP-28297), the property directly south of the subject site received entitlements for a proposed new development for a 12,422 square-foot, single-story retail establishment. Staff finds that the continued use within the existing Restaurant will not negatively affect the new development; therefore, is recommending approval of this request with a one-year review.

ANALYSIS

This is the first request for a Required Review for a previously approved Special Use Permit (SUP-28297) for Beer/Wine/Cooler On-Sale Establishment within an existing Restaurant located at 2081 North Decatur Boulevard. Since the approval of the Special Use Permit (SUP-28297), the property directly south of the subject site received entitlements for a proposed new development for a 12,422 square-foot, single-story retail establishment.

During a field inspection of the site, staff found the area surrounding the business neat in appearance with the landscaping properly maintained. The hours of are Monday through Friday 10 a.m. to 10 p.m.; Saturday 9 a.m. to 10 p.m.; Sunday 9 a.m. to 10 p.m.; and the drive-thru is open 24-hours. In addition, there were two (2) signs posted in both the northeast and southeast corners of the property that are not permitted.

FINDINGS

Staff finds that the new entitlements to the south of the subject site will not negatively affect the continued use within the existing Restaurant. The hours of operation comply with the restrictions placed by City Council. The removal of the non-permitted signage on the property has been placed as a condition of approval; therefore staff is recommending approval of this request with a one-year review.
